About Workshop

The use of Internet and Internet based services has been on the rise. The users are unaware about the danger that such services may pose on the data/information that is being collected for or kept as confidential.

The object of this two days workshop is to equip the general public in particular about different ways by which when used help them protect their valuable data and peripherals.

About Institute

Swami Sarvanand Institute of Management & Technology, Dinanagar is the pioneer Institute in the 100 km stretch from Amritsar to Pathankot and was established in the year of 1999 by Dayanand Math, Dinanagar A charitable Trust.

The Institute is affiliated to Punjab Technical University, Jalandhar and running BCA, BBA, B.Com (Prof), BSc (CS), BSc (Agri), MSc-IT, MSc-Physics, Math, Chemistry, MCA, and MBA courses at present.

SSIMT is located on National high way i.e. Amritsar Pathankot and is 15km from Gurdaspur and 24km from Pathankot.

About Department

The drift from traditional based education to professional based education was the impetus that AICTE has given approval to technical institutes to meet the requirement of aspirants of said education.

In 2002, Dayanand Math Trust introduced MCA course with 60 seats under the umbrella of SSIMT at present there are 120 seats. The Department has established state of art facilities in Computer Lab. Adequate inputs of practical training, industrial tours, case studies, project work are given to support theory courses. Students are given practical exposure on live projects being offered by business houses.

Resource Person

Experts from reputed Technical Institutions and Industries will be invited for the lectures.
